

Airbus is an international pioneer in the aerospace industry. We are a leader in designing, manufacturing and delivering aerospace products, services and solutions to customers on a global scale. We aim for a better- connected, safer and more prosperous world. Airbus Helicopters Polska in Łódź has been operating since February 2015. We are very successful by providing innovative solutions. Current employment is over 50 employees and is effectively increased.

Our people work with passion and determination to make the world a more connected, safer and smarter place. Taking pride in our work, we draw on each other's expertise and experience to achieve excellence. Our diversity and teamwork culture propel us to accomplish the extraordinary - on the ground, in the sky and in space.
