

[illegible]

Technical drawing of a mechanical part, showing a cross-section with dimensions. The drawing includes a central shaft with a diameter of 122, a central hub with a diameter of 56, and two side flanges with diameters of 34 and 44. The total length of the part is 98. The drawing is oriented horizontally, with the shaft running vertically. The dimensions are as follows:

- Top flange: 34 (outer diameter), 44 (inner diameter), 8 (thickness), 26 (width), 6 (radius), 32 (width), 8 (thickness), 16 (width), 6 (radius).
- Central hub: 56 (outer diameter), 44 (inner diameter), 8 (thickness), 26 (width), 6 (radius), 32 (width), 8 (thickness), 16 (width), 6 (radius).
- Bottom flange: 34 (outer diameter), 44 (inner diameter), 8 (thickness), 26 (width), 6 (radius), 32 (width), 8 (thickness), 16 (width), 6 (radius).
- Shaft: 122 (diameter), 98 (length).

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions in millimeters. The drawing includes a top view and a side view, with dimensions indicated by arrows and numbers.

Top View Dimensions:

- Overall width: 182
- Overall height: 118
- Left side features a semi-circular cutout with a radius of 20.
- Bottom left corner has a fillet with a radius of 20.
- Bottom right corner has a fillet with a radius of 20.
- Internal dimensions include 6, 14, 22, 42, 58, 44, 24, 2, 4, 17, 10, 3, 8, 42, 8, 31, 39, 5, 10, 20, 6, 14, 22, 40, 11, 29, 37, 8, 24, 2, 4, 17, 10, 3, 8, 42.

Side View Dimensions:

- Overall height: 118
- Overall width: 182
- Internal dimensions include 6, 14, 22, 42, 58, 44, 24, 2, 4, 17, 10, 3, 8, 42, 8, 31, 39, 5, 10, 20, 6, 14, 22, 40, 11, 29, 37, 8, 24, 2, 4, 17, 10, 3, 8, 42.

Technical drawing of a mechanical part showing two views: a front view (left) and a side view (right). The front view shows a profile with a total width of 42 and a total height of 20. The side view shows a profile with a total width of 42 and a total height of 20. Both views include dimension lines and numerical values for various segments.

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions in millimeters. The drawing includes a front view and a side view. The front view shows a base with a width of 118 mm and a height of 40 mm. The side view shows a profile with a total width of 158 mm and a total height of 118 mm. The drawing includes various chamfers and fillets, with dimensions such as R10, R15, and R20. The part is divided into several sections, with dimensions indicating the width and height of each section. The drawing is a black and white line drawing with hatching for the base and the side view.
