

**Additional Erasmus+ enrolment at Faculty of Power and Aeronautical  
Engineering for academic year 2021/2022  
for outgoing students of MEiL**

1. The Erasmus+ enrolment at Faculty of Power and Aeronautical Engineering is done in two systems.
2. One system is the on-line system, available at the Faculty website. See the link for it below:  
<https://www.meil.pw.edu.pl/eng/PAE2/Exchange/Rekrutacja-Erasmus-2020-2021>
3. The second system is the system in USOS Web PW.
4. Remember to check if the host University you are interested in is on the list of Cooperation Universities. You can check it in Guidebook on the following website:  
<https://www.meil.pw.edu.pl/eng/PAE2/Exchange/Rekrutacja-Erasmus-2020-2021>  
You can indicate up to three host institution, however remember that if you indicate more than one host university, you should upload more than one Learning Agreement form (with the offer of each chosen University in it).
5. In the Faculty system, every candidate should:
  - 5.1. Fill the application form.
  - 5.2. Upload the following documents: Application form published on the website; Learning Agreement form with the student's data and the list of courses declared at the host, chosen University, Proof of language skills (B2 level of English in most cases) and Karta zaliczeń (Records card).
  - 5.3. The candidate may add the document confirming his/her activity at the University in any student's organization. It is not obligatory, but it gives the additional points for candidate.
6. Important- **no** signatures of the host institutions are required at Application form and Learning Agreement form. Only the student sign it. Those forms are treated as your provisional plan, however the candidate is obliged to check the availability of the courses at the host institution in advance and prepare the provisional plan according to his/hers best knowledge of available courses.
7. Both systems are going to be opened from March 22, 2021 to March 28, 2021.
8. The incomplete applications will not be taken into account, so please check carefully if you had uploaded all the documents, with your signatures.
9. The required number of ECTS points is 30 per semester and the courses should be the equivalents of your courses at the Faculty in the most compatible way.
10. For those, who are going to start the mobility on their last semester of studies- apart from the project, you must declare the courses for at least 15-20 ECTS points per semester.
11. The enrolment is organized for the mobility in academic year 2021/2022 (both semesters, winter and summer).
